

The Dream of You BY JO SAXTON

My Faith Journey

Using words or pictures, use the spaces below to recreate and craft *YOUR* faith journey.

Describe your life **before** Jesus redeemed your identity.

Describe your **brokenness** and how Jesus met you there.

Describe how your life is different **now** because of Jesus.

Think about **who** might benefit from hearing how God has changed you already and how He continues to work in your life. On a separate page, write a prayer asking God to provide opportunities to share *your* story.
